

How can we welcome refugees a different way?

Employing and supporting refugees is at the heart of the integration process. The 2018 Lab'Ho study analyses challenges and opportunities, offering 21 recommendations for all players.

LEVERS OF ASSIMILATION

Support is an essential condition for successful integration

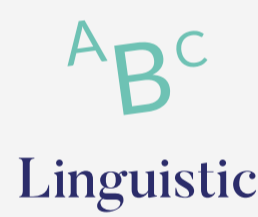

OBSTACLES TO EMPLOYMENT

OPPORTUNITIES

TYPES OF SUPPORT

HOPE IN FIGURES

1000
refugee people supported by HOPE

7
OPCA (accredited fund collecting and distributing agencies) mobilised

3
ministries involved

71%
certification

62%
of refugees employed by the end of training

HUMANDO INTEGRATION IN ACTION

* Of the 47 people supported as part of Horizons 1, 45 obtained their certification of professional competency after eight months of training

ACTION IS REQUIRED - 21 SUGGESTIONS TO:

- Solve the lack of clarity
- Give refugee people the tools to acquire the appropriate competencies
- Make their job applications viable
- Make the job market better organised in their favour
- Fight prejudice
